

Manuscript Collections

Note: This list, updated November 2015, includes only fully processed collections with finding aids and inventories. The JMM Archives also include some unprocessed manuscript collections, as well as archival materials that are not part of discrete manuscript collections.

For information on finding aids for the collections listed below, contact the Jewish Museum of Maryland Collections Manager. For information on other archival materials, see the JMM online collections database at jmm.pastperfect-online.com.
