

# Echoes and Reflections and Elie Wiesel's *Night* Upcoming Program

"Possibly one of the best  
learning experiences I  
have ever been part of."

Reading Coach  
Brevard Public Schools, Brevard, FL

How do we prepare students  
to read and understand Elie  
Wiesel's *Night* within the  
larger historical framework of  
the Holocaust? What are  
some of the moral and ethical  
questions that the memoir  
helps students examine?

## Program Goals

- Familiarize participants with the content and pedagogy of Echoes and Reflections through experiential activities.
- Enhance teacher knowledge about the Holocaust.
- Explore Echoes and Reflections multimedia assets including the correlated visual history testimonies and other primary resources and materials.
- Introduce participants to IWitness, an online complement to Echoes and Reflections that includes interactive student-centered activities.

## Participants will explore the following:

- History of antisemitism and the ghettos for context prior to teaching *Night*.
- Interdisciplinary materials, including art work, photographs, poetry, and personal narratives, for teaching about the "Final Solution."
- Significant themes of the memoir and additional resources to support the teaching of the text.
